## PARTICULAR REGULATION DRAFT FOR “GIRO AEREO DEI SEI LAGHI 2019”

The AERO CLUB COMO asd located in COMO - Italy, V.Le Masia 44, organizes an Air Rally race named "Giro aereo dei sei laghi" at the Como seaplane base (LILY) from the 18<sup>th</sup> to the 19<sup>th</sup> of May 2019.

The regulation refers to 2019 "Regolamento IDRO-RALLY by AeCI" translation available by AeC Como asd approved by Aero Club d'Italia and is the only competition valid for the "Italian rally championship for seaplanes".

The competition can be attended by crews on all types of aircraft identified in the regulation.  
In order to participate to the competition, both pilots and navigators must hold a valid FAI licence.  
Every flight test must be approved and it's forbidden any aerobatic maneuver.

During all phases of the competition, the pilot will be responsible for security in operations on the ground and in flight, in compliance with VFR operations, in particular in relation to the absolute respect of minimum flight altitudes, which are summarized here : 500 ft on the ground or 1000 ft on urbanized area.

These dispositions are part of the rules, and for although not specifically covered in these particular regulations, please refer to the National Sporting Regulations category RSN RALLY AEREO IDROVOLANTI, translation available by AeC Como asd.

We recommend caution in the possible crossing of the local ATZ during the race and in particular:

- Alzate (LILB) fr. 123.50
- Como (LILY) fr. 121.00
- Venegono (LILN) fr. 128.55

For serious breaches to the rules of discipline and security of operations, crew will be subject to disqualification from the race. Moreover, air race competitors are solely responsible for any damage they caused to persons or things.

The preferential runway for takeoffs and water landings will be 01, however take-offs and landings are based on safe operative conditions and at the pilot discretion only.

The airspace involved by the air race is located within the FIR of Milano (Milan) and the service responsible for providing the FIS is Milan information at 124.92.

For only seaplanes, we report the presence in the area of permanent Hydro surfaces (idrosuperfici) of Porlezza and Lake Pusiano as well as all occasional usable hydro surfaces.

For amphibians In case of need, the possible alternate airfields are Venegono (LILN) freq.128.55 and Alzate Brianza (LILB) 123.50.

In case of bad weather conditions, the Aero Club Como reserves the right to move the competition to another date informing involved crews.

Each crew wishing to join the race, must submit to [info@aeroclubcomo.com](mailto:info@aeroclubcomo.com), the complete registration form downloadable in the dedicated section of our website no later than 6.00 pm of the 6<sup>th</sup> of Maj 2019.  
Aero Club Como asd reserve itself the right to accept or not any crew enrollement.

Arrival of aircraft/crew members not based is expected from 9.00 of Thursday 16<sup>th</sup> to 18.00 of Friday 17<sup>th</sup> and deadline for all crews to have completed registration procedures and documents control will be 19.00 of Friday 17<sup>th</sup> .

The competition will be held only if reached the minimum quorum of four (4) enrolled crews.
